

New changes at the MPO by Steve Petroff

I would like to introduce our new Office Manager, Stephanie Griffin, to our organization. She attends St. Nicholas Orthodox Church in Fort Wayne, Ind. She has been attending there for the past 20 years. She has two daughters, one who is in college and the other will be starting her Senior year of high school. We would like to welcome her here at the MPO. So, if you have time give her a call and welcome her.

As you recall we will not be having a convention this year due to COVID but we will still be having the Delegate Meeting according to the Bylaws. As you know the Convention has been a big fundraiser for the MPO. Financially, we had to come up with another strategy this year to offset the costs of running the MPO. We have come up with a fundraiser called the Hero Donation. The donations can be made through June 30, 2022. Donations do not need to be paid all at once. They can

be broken down into payments to make it more affordable for the person donating. Like everyone else during this uncertain time, the MPO needs the support to stay running and to be able to have conventions for years to come. As you all know, next year will be our 100th Convention! We need all the help we can get to make this successful and for years to come. Thank you to all who support the MPO as we are so very grateful.
