## MPO Day of Discovery 2021

The 3rd Jimmie Jarvis Memorial Scholarship to be awarded

This year's MPO Day of Discovery will once again be held on November 6 at St. Nicholas Eastern Orthodox Church, Fort Wayne, Ind.

Later that evening St. Nicholas will be hosting their 50th Annual Macedonian Ball. The Day of Discovery is open to anyone interested in learning Macedonian history and culture. There is no charge to attend the workshops.

The Jarvis Family will be presenting the third \$1000 Jimmie Jarvis Memorial Scholarship and one \$500 scholarship. Jimmie passed away in June 2014 at the age of 25. At the time of his passing the MPO Central Committee had a plaque created in his memory. His family and friends hold "Bowling Alley Bashes" to raise the

scholarship funds. Jimmie was pursuing a medical degree at the time of his death.

Workshop registration will begin at 9:00 a.m. for all students wishing to participate in the scholarship competition. **Any high school student or college student pursuing their first degree may compete. Students must attend all three workshop sessions.**

A complimentary light breakfast will be served. The scholarship winners will be announced at the end of the Day of Discovery.

The Day of Discovery is an ideal way for the entire family to learn more about their Macedonian heritage. The day will end at 1 p.m., giving everyone time to take a nap, refresh and prepare for the Macedonian Ball.
