

Remembering the past; looking to the future

MPO President Steve Petroff

As the year is closing, I hope everyone had a Merry Christmas and as the new year approaches a Happy New Year. 2022 is going to be an exciting year for us as we are going to be celebrating our 100th Anniversary. It is quickly approaching and I cannot believe that it is only nine months away. I know that I am getting excited about it and I hope that you are as well as we have not had a convention in the last two years.

We can all do our part by telling our friends, family and all fellow Macedonians by getting the word out about the convention. You are now able to go onto our website and book your hotel at the rate of \$124.00. We hope by February to have all the pricing for tickets and the schedule on our website and in the Tribune. January is membership month so you will want to get your membership dues in for the early bird contest that ends on March 1. You can renew your membership

online or see page 6 for membership form.

On a final note, February is the month that we raise money for the Macedonian Tribune. Please remember that when you give, it helps the Tribune and it also goes towards the Hero Fund. What better way to give and receive by contributing to the Tribune and the MPO? I hope to see you at the 100th Anniversary Convention.
